Westbury Diagnostics, Inc is proud to announce that Dr. Lorrence Green, President of Westbury Diagnostics, Inc has agreed to join as a founding member of [Pillar Rock USA](#) Corp.s' Board of Business and Scientific Advisors. The company produces the new product "Hangover Buster". Pillar Rock USA was a finalist in the 2008 Happaage Industrial Association ([HIA](#)) Rookie of the Year Business Achievement [award](#).

"Despite all of the doom and gloom that one continues to read about the economy I feel that there are lots of opportunities available to BioScience entrepreneurs on Long Island that are willing to work hard and to take a risk. Westbury Diagnostics, Inc. has taken an active roll by either investing in, or offering advice to, companies, to help them grow. We are confident that we can help Pillar Rock USA succeed in its goals," said Dr. Green.
